Daniel and the lions den

This week we are learning about Daniel staying faithful and trusting God.

Can you think of a time you had to trust someone ie learning something new like swimming or riding a bike , going on a rollercoaster, starting a new school? Is it easy to trust when we are scared?

Read Daniel 6 or watch the video

Daniel worked very hard for king Darius and the king liked him but the king's other helpers were jealous that the king favoured Daniel over them and wanted to get Daniel in trouble.

What law was set?

Why did Daniel continue to pray to God?

How would you have felt being put in with the lions?

What did King Darius say when Daniel walked out of the den?

Why is it important to stand up for what we believe?

Standing up for God may seem scary at times. I am sure Daniel was quite terrified as he was led off to face the lions. But we can rest assured that if we are following God's lead, He will not leave us to face our fears alone.

- Play sleeping lions
- Make a lions mask

Dear God,

Thank you for being our strength and give us the courage to always trust in you . Amen
